Dubai, United Arab Emirates (December 9, 2014) – Several Air Elite Network Diamond Service designated FBOs are exhibiting this week in Dubai for the 2014 Middle East Business Aviation exhibition (MEBA 2014) to strengthen their global customer relationships, promote the network and each of their uniquely exceptional locations. Notably, Royal Jet, located in Abu Dhabi, UAE (OMAA); Business Aviation Centre Cologne, located in Cologne, Germany (EDDK); Harrods Aviation, located in London, United Kingdom (EGSS and EGGW); and Jet Aviation, featuring four Middle East and Europe based Air Elite locations (OMDB, EDDL, LSGG, and LSZH) are representing the network in various capacities at this show.

Royal Jet, operating an Air Elite FBO in Abu Dhabi (OMAA), will be exhibiting in stands A4 and A5. Recognized as one of the world's top ten FBOs by Aviation International News and voted Best FBO in the Middle East in the Business Destinations Travel Awards 2009, the FBO sets the standard as the Middle East's leader in luxury flight services, aiming to provide unparalleled levels of service combined with exceptional operational expertise.

Business Aviation Centre Cologne (BACC) operates the only FBO on site at Cologne Bonn Airport, making them the natural choice for all operators traveling to Cologne. Besides very competitive pricing the FBO offers customers all standard amenities, such as lounges with televisions for crew and passengers, free Wi-Fi, along with soft drinks and hot drinks to help make their visit comfortable and relaxing. A BACC representative will be attending the show and will also be representing their German FBO network which includes FBOs in Stuttgart (EDDS) and Frankfurt (EDDF).

Harrods Aviation, operating Air Elite FBOs at both London Luton (EGGW) and London Stansted (EGGW), will be exhibiting in stand 535 to promote their FBOs which offer travelers "fabulous British service 24/7." To coincide with their presence at MEBA, Harrods is also promoting a special discounted handling rate they are offering. Operators visiting their London Stansted FBO for a technical stop through the end of January 2015 will qualify for the special discounted rate. Jet Aviation, operating four Middle East and Europe based Air Elite FBOs which include Dubai (OMDB), Düsseldorf (EDDL), Geneva (LSGG), and Zürich (LSZH), will be exhibiting at the show in stand 610 to promote these locations along with their entire FBO network. Currently, the Air Elite Network has 34 locations world-wide. The network was established in late 2011 and each FBO must meet a number of airport, facility and service quality standards to qualify for membership.
