## Jackson Jet Center Joins the Air Elite Network Network Grows to 28 FBOs World Wide

**Tampa, FL** (April 12, 2013) – World Fuel Services announced today that Jackson Jet Center, located at Boise Gowen Field (KBOI) in Boise, ID, has joined the growing Air Elite Network.

Jackson Jet Center's ([www.jacksonjetcenter.com](http://www.jacksonjetcenter.com)) newly-remodeled facility is conveniently located on the north side of Boise Airport with close proximity to the passenger terminal and only three miles from downtown Boise. As a combination of the former Boise Air Service and Boise Executive Terminal, the new state-of-the-art 9,400 square foot facility encompasses an expansive lobby along with full-service pilot service facilities and passenger amenities to ensure that every trip is a pleasure. In addition to this, Jackson Jet Center has 92,000 square feet of hangar space.

The modern FBO includes a flight planning center, exercise room, men's and women's showers, pilot lounge with sleep room, conference room and free Wi-Fi throughout the facility. Jackson Jet Center hosts an aircraft maintenance and parts facility along with a wide array of charter aircraft, from back-country to wide-body, available to meet any customer's requirements.

"Jackson Jet Center is excited and honored to be accepted into the Air Elite Network. We are looking forward to a mutually rewarding experience with our fellow Air Elite members as well as the dedicated staff at World Fuel Services" said Mark Zacher FBO President, Jackson Jet Center.

With the addition of Jackson Jet Center, the Air Elite Network now includes 28 locations world wide. The network was established in late 2011 and each FBO must meet a number of airport, facility and service quality standards to qualify for membership.
